- Each Kit includes 2 straps

### **GrommetGRIP™**

**SKU: 4030 (Grey)**

**SKU: 4031 (Black)**

Used to secure a CPU to the underside of a desk by screwing the strap ends into the desk beneath. Straps are crisscrossed for additional stability.

- Colour: Grey or Black
- Each Kit includes 2 straps

### **ContourGRIP™**

**SKU: 4151 (Grey)**

**SKU: 4152 (Black)**

ContourGRIP combines VersaBUCKLE and VELCRO to create a fastener that conforms to any contoured surface, including monitors.

- Colour: Grey or Black
- Each Kit includes 2 straps

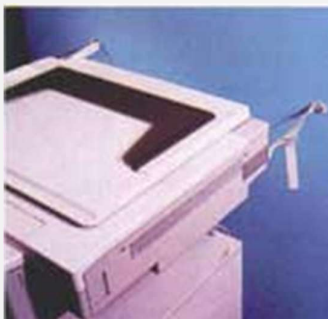

### **StrapTRAC™**

**SKU: 4220 (Grey)**

Designed to meet the rigid standards for lab fastening on items weighing over 25 kg.

- Colour: Grey
- Load Capacity: 70KG
- Each Kit includes 2 straps

### **StrapTRAC™ Wall**

**SKU: 4221 (Grey)**

Designed to support free standing printers & copier machines, whilst maintaining mobility.

- Colour: Grey
- Load Capacity: 70KG
- Each Kit includes 2 straps

### **Cart-to-Wall Strap™**

*SKU: 4641 (Grey)*

Designed for use on TV carts, audio/visual carts, medical carts, baker racks, tubular items, or any item on wheels.

- Colour: Grey
- Each Kit includes 1 D-Ring strap

### **Q-Furniture Straps™**

*SKU: 5799 (Grey)*

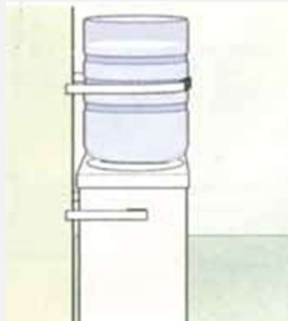

*SKU: 5801 (Brown)*

*SKU: 5802 (Oak)*

*SKU: 5803 (White)*

*SKU: 5804 (Black)*

Designed to be used on furniture where the top is above eye level.

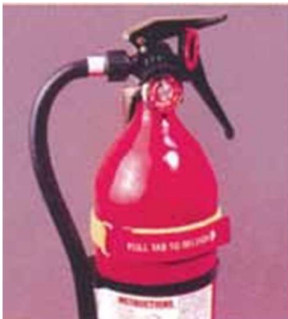

### **Water Cooler Kit**

*SKU: 5600 (Kit)*

*SKU: 5601 (Base Only)*

The water cooler kit comes complete with all necessary parts to secure the cooler as well as the bottle to the wall. The bottle strap has a buckle for easy bottle changing.

- Colour: Grey
- Base Only kit excludes Bottle Strap with buckle.

### **Fire Extinguisher Strap**

*SKU: 5300 (Dia 7.62cm)*

*SKU: 5320 (Dia 12.70cm)*

*SKU: 5340 (Dia 17.78cm)*

This unique strap will help keep the extinguisher attached to the support bracket. The strap features a red VELCRO brand hook release tab and is clearly marked PULL TAB TO RELEASE.

### **FileSTRAP™**

*SKU: 5809 (Black)*

*SKU: 5200 (Grey)*

FileSTRAP has a simple design. Industrial VELCRO brand hook and loop fastener is used. It is rated by Velcro USA to have a holding power of 10kg per square inch in the shear mode. Each FileSTRAP uses 12 square inches of industrial VELCRO hook and loop. This gives each FileSTRAP a rated shear holding power of 120 kg.

### VCR/Stereo Buckle™

**SKU: 4560 (Black)**

Two-point, adjustable equipment fastener ideal to prevent electronic devices from tipping.

- Colour: Black
- Load Capacity: 22KG
- Each Kit includes 2 straps

### TV Fastening Kit™

**SKU: 4065 (Black – Small TV's)**

**SKU: 4615 (Black – Up to 40" Flatscreen)**

**SKU: 4616 (Black – Up to 70" Flatscreen)**

Features flexible nylon straps with easy peel and press buckles to safeguard TVs from toppling over.

### Out-of-Sight Furniture Straps™

**SKU: 5812 (Grey)**

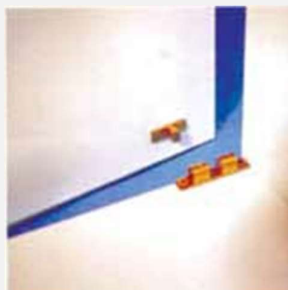

The Out-of-Sight Furniture Strap secures wood furniture such as entertainment centres, TV cabinets, console TV sets, speakers, dressers, tables, bookcases, credenzas, and file cabinets. This unique fastener has quick-disconnect buckles for easy movement of the furniture.

### Washer/Dryer Strap™

**SKU: 4506 (Grey)**

The Washer/Dryer Strap will help keep the washer/dryer from moving away from the wall during an earthquake. Two ends of the strap are screwed into wall studs behind the washer/dryer. The strap buckles together in front, much like a seat belt. Each kit fastens one machine.

### InnerLOCK™

**SKU: 5150 (Brass)**

If it is not desirable to drill through the cabinet door, consider the InnerLOCK. The male piece is attached to the door with 2 screws. The female piece is attached to the base of the cabinet. There are ball bearings on either side of the female piece that hold the male piece in place when the door is closed. There are adjusting screws on either side of the female piece that will loosen or tighten the tension on the ball bearings

### Refrigerator Strap™

*SKU: 5805 (White)*

The Refrigerator Strap is designed to keep them in place. To each side of the refrigerator, one end of the strap is applied with industrial VELCRO brand hook and loop fastener. The other end of the strap is screwed into a wall stud. Between the two is a quick-disconnect buckle. The straps are adjustable so the refrigerator can be as far away as 4 feet from the wall.

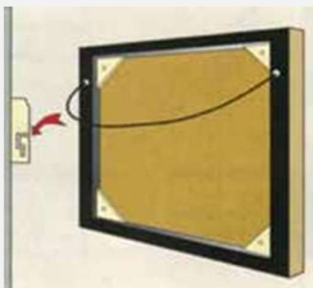

### Refrigerator Door Straps™

*SKU: 5806 (White)*

*SKU: 5820 (Black)*

As well as securing your refrigerator to the wall with our Refrigerator Strap, consider the Refrigerator Door Strap to keep doors closed and prevent food from spilling out. This is also a handy way to keep small children out of the refrigerator. They are easy to open and close, yet strong enough to keep the refrigerator door from swinging open.

### Picture & Mirror Fastening Kit™

*SKU: 5813 (Putty)*

Hang your pictures and mirrors in a tough, plastic maze. Each fastener comes with a nail for light-weight pictures, and a wood stud screw for heavier pictures. Two fasteners used together hold up to 45kg. The kit contains VELCRO pads to stabilise the picture against the wall.

### BoingBAR™

*SKU: 5040 (Black)*

The BoingBAR is a sleek-looking, practical method of securing bookshelf and storage contents. It is ideal for offices, laboratories, homes, and garages. Because it is elastic, removing and replacing items is easy.

### BoingBAR™ Internal

*SKU: 5050 (Black)*

The BoingBAR Internal is the same as the BoingBAR except the end connector is designed to be attached to the inside of the shelf unit. Use on shelving where the vertical edge is round, has plastic moulding, or cannot be screwed into for other reasons.

### QuakeHOLD™ Putty

SKU: 4080 (Putty)

QuakeHold Putty protects valuables from earthquakes, playful kids, and pets. This non-toxic, poly-putty is formulated to create a sturdy bond. It is non-drying, removable, and reusable.

### Museum Wax™

SKU: 4084 (2 oz)

SKU: 4085 (13 oz)

Museum Wax is recommended for objects that are seldom moved. Removal requires mineral spirits and/or dental floss. Apply to hard surfaces that are waterproof such as glass, Plexiglas, tile, stone, laminated plastic, metal, ceramic, and finished wood.

### Quake Tape Roll™

SKU: 2800 (90cm)

SKU: 2801 (274cm)

Hang your pictures and mirrors in a tough, plastic maze. Each fastener comes with a nail for light-weight pictures, and a wood stud screw for heavier pictures. Two fasteners used together hold up to 45kg. The kit contains VELCRO pads to stabilise the picture against the wall.

### QuakeHold Gel™

SKU: 4090 (Clear)

Clear QuakeHold Gel was designed specifically for use on transparent items such as crystal, glass, and Plexiglas. It is a non-toxic gel that transforms into a solid film to create a secure bond. It is removable and reusable.

### 3M Adhesive Pads

SKU: 5720 (White)

Each Kit includes 36 VHB adhesive tape pads & 12 surface prep pads

### **VersaBLOCK™**

*SKU: 2150 (1" x 1" X 3/8" - Black)*

*SKU: 2200 (1" x 2" X 5/8" - Grey)*

*SKU: 2300 (2" x 2" X 5/8" - Grey)*

Used to fasten equipment directly to desktop. This system is deal for items that are rarely moved.

### **MonitorPULL™**

*SKU: 2760 (< 22KG - Grey)*

*SKU: 2756 (> 22KG - Black)*

This fastener is designed to avoid forward movement of a monitor during a seismic event, without interfering with the monitor's ergonomics.

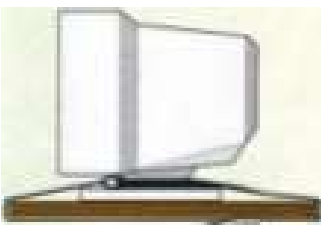

### **DeskHOOK™**

*SKU: 5031 (< 22KG - Black)*

*SKU: 5033 (> 22KG - Grey)*

This fastener is designed to avoid movement of desktop devices towards operator during a seismic event.

### **QuakeGRIP™ Open Shelf Monitor Strap**

*SKU: 2878 (Black)*

To secure monitors on open shelving in computer and network rooms, where rear attachment is not available.

### **QuakeGRIP™ Open Shelf Server Strap**

*SKU: 2880 (Grey)*

*SKU: 2881 (Black)*

To secure CPUs, modem and peripherals on open shelving in computer and network rooms, where rear attachment is not available.
